The summary reports are meant to provide parents, educators, and communities highlights from the district, along with a high-level summary of how well a school or district is performing. We encourage you to use these reports to:

- **Learn more** about this school or district by viewing the detailed report. Use the link in the "Jump to" menu at the top right.
- **Start conversations** with school community members and ask questions. Use the one-page guides on the [Resources page](#) for suggestions.
- **Engage** with your school communities to identify where schools are doing well and where they can improve.

Important Note for 2021-22 Reports: The summary reports will not include information on student growth for the 2021-22 school year due to the cancellation of the New Jersey Student Learning Assessment in 2019-20 and 2020-21. The NJDOE expects to resume reporting on student growth, as measured by median student growth percentiles (mSGPs), in the 2022-23 school year.

School Highlights Reported by the District:

- Technology is infused in the curriculum through the use of Smart Boards, document cameras, Chromebooks, and iPads. The ratio of devices to students is 1:1.
- Teachers use Responsive Classroom techniques to integrate academic, social and emotional learning.
- The Cultural Arts Committee at Truman School provides programs that teach students about different cultures.

How did students perform on assessments?

This section shows the percentage of students who met or exceeded expectations on statewide assessments (NJSLA and DLM). This percentage reflects the federal proficiency rate which makes adjustments to the proficiency rate if the participation rate was below 95% to ensure reporting on at least 95% of students. The chart indicates whether performance was above the state average or above the state's long-term goal of 80%.
