Nurses Station-Immunizations

Senior Class of 2024 (current Juniors)

Immunization requirement:

Required Meningococcal (MCV4) Immunization for **all** Seniors enrolled in OLSD whether DACC, CCP, or OASIS:

Ohio law mandates that all senior students have two doses of meningococcal (MCV4) immunization **prior to entering 12th grade**, unless parent or doctor would like to exempt the student from the vaccines. If the first dose was given on or after the student's 16th birthday, the second dose is not required before senior year.

Families please be aware; Meningococcal B does not meet this requirement.

Immunizations can be obtained at The Delaware Public Health District (www.delawarehealth.org or 740-203- 2040), your physician's office, or local pharmacy.

Students who have already had both meningococcal (MCV4) immunizations should turn their immunization record into their school clinic now. As a reminder, immunizations cannot be uploaded to PowerSchool or turned into Final Forms. Please call the school clinic if you have questions or if you want to know what is currently on file for your student. Olentangy Berlin High School fax # is 740-657-5948.
