

**Watchung Hills Regional High School
Parking (Instructions and Guidelines) for High School Juniors.**

Instructions:

Parking applications for the 2023 spring semester will be available online only through the District website. They must be downloaded, printed, filled out completely, and signed by both the student and parent/guardian.

Applications must be dropped off by January 13, 2023, at the security desk in the atrium or Mr. Shea's mailbox in the main office during the school day. Applications will be accepted for those juniors who are eligible to receive their licenses by the end of the 2023 school year. After all applications are submitted, 55 names will be picked randomly to determine who will receive a parking permit. Once the lottery is completed, all juniors chosen will be notified via email and advised where and when to pick up their parking permits (Orange Parking Permit). Juniors will not be given a parking permit until they have received their driver's license. Juniors will then have to respond with a check or money order in the amount of \$50.00, along with a copy of their driver's license. Payment should be made out to WHRHS. NO CASH WILL BE ACCEPTED.

Junior parking passes (blue) for the fall semester will expire on January 31, 2023. The spring parking permits are valid starting on February 1, 2023, and will expire on the last day of school. Juniors who do not possess a valid spring parking permit (orange) are not allowed to park anywhere on campus, including Mountain Avenue.

PERMITS BEING ISSUED:

JUNIORS WITH Parking Privileges: Allowed to park only in the lower gravel lot closest to Mountain Avenue. If the lower gravel lot is full, overflow parking will be in the Mountain Avenue parking.

Guidelines:

The following guidelines when parking on campus must be adhered to:

Parking is by permit only; vehicles not displaying valid permits will be issued a summons by the Warren Township Police Department.

Parking permits are not transferable to another vehicle. If the registered vehicle is out of service for some reason the student must make other arrangements to get to school. No other vehicle can be used in its place.

All vehicles must be registered with the Security Department by completing and submitting the required paperwork.

Lost or stolen permits must be reported immediately to the Security Department. A new one will be reissued for \$25.00.

Any junior student found parking in an area other than the lower gravel, or the Mountain Avenue parking lot will lose parking privileges for their senior year and only be eligible for a red parking permit, as well as receive a summons from the Warren Township Police Department.

Any student found using someone else's permit or a forged permit will automatically forfeit any present or future parking privileges on campus and not be eligible for any type of permit.

The Warren Township Police Department will issue a parking summons to any vehicle parked on campus that is in violation of any New Jersey "Title 39" motor vehicle laws.

Any student who acquires 15 late arrivals to school (excused or unexcused) will have parking privileges revoked immediately.

Any student found in possession and/or under the influence of any drug or alcohol in school or at any school-sponsored event or activity will have parking privileges revoked immediately.

Any student found in possession and/or using any vapor device or paraphernalia in school or during any school-sponsored event or activity will have parking privileges revoked immediately.

Any willful violation of the campus driving/parking contract and for cause outside the contract is just cause for immediate revocation of the student's driving/parking privileges on campus.

Failed to fulfill school financial obligations, including but not limited to book fines, equipment returns, and uniform.
