2022-2023 DISTRICT EDUCATION IMPROVEMENT COUNCIL

MEETING AGENDA MINUTES

I. Review of [2022-2023 Professional Development Plan](#)

ACC – Trauma Informed Teaching and Learning. Student mental health and whole child development are top priority. Current needs are for building staff capacity for CCMR and the 2023 Accountability refresh.

HS – Kagan Strategies for strengthening Tier I instruction and reinforcing the MTSS framework. Current needs are curriculum audit and high-quality instructional materials.

MS – Kagan Strategies for strengthening Tier I instruction and reinforcing the MTSS framework. Current needs are curriculum audit and high-quality instructional materials.

IS – Continue professional learning series for reading (Melissa Leach) and math (Kelly Harmon)

PS – Continue professional learning series for reading (Guided Reading/Balanced Literacy) and math (Kelly Harmon)

2023-2024 PD will bring more focus on the following identified areas of need –

- vertical alignment between campuses/transition grade levels.
- department/content alignment to enhance streamlining of Tier I instruction.
- parent and family engagement/Title I capacity building

II. Workshop: [2023-2024 Comprehensive Needs Assessment](#)

The multiple measures were reviewed per assigned campus group. Each group was afforded the opportunity to work as a team to complete the needs process. The majority of questions from DEIC members related to data analysis and documents that were provided at the last DEIC meeting, which can be found in the Title I Program Guide. A progress monitoring/check in will be conducted at the March 30 meeting to determine timeline for completion and next steps in the development of the 2023-2024 District Improvement Plan.
