INVOLVED!**

**STUDENT  
CLUBS  
AND  
ACTIVITIES**

## ❖ Davis School District Graduation Course Requirements: 27 Total Credits

4.0 credits of English

3.0 credits of Math

3.0 credits of Science

3.0 credits of Social Studies

(.5 US Gov.)

1.5 credits of Physical Ed.

(.5 Fit for Life)

1.5 credits of Fine Arts

1.0 credit of Career and Technical Ed.

0.5 credits of Health

0.5 credits of Digital Studies

0.5 credits of Financial Literacy

8.5 credits of Electives

(27 Credit Diploma)

### Important Notes

- 4 years of math is strongly recommended for collegebound students.
- There is no foreign language requirement to graduate.
- 16 Core Credits required for NCAA qualification (student athletes).
- Students taking Seminary can earn 7.0 credits a year (7x4= 28 credits).  
Without Seminary students can earn 8.0 credits a year (8x4= 32 credits).

## ❖ Developing a 4-Year Plan

### 4-Year Plan Instructions:

1. Log into MYDSD
2. Find the ACADEMICS tab and then CCR 4 Year Plan
3. Fill out the College Plan page and then click "next"
4. Fill out the Graduation Plan:
  - a. Click on each subject for the drop-down menu with classes
  - b. Choose classes that you may be interested in and that can help prepare you for your future career. Make sure that the classes you choose will also fulfill your graduation requirements.
  - c. Try to choose classes for all 4 years.
5. If there is an exclamation point by a class, it means that you have not entered the class yet or fulfilled the graduation requirement.

## ❖ High School Courses

- 9<sup>th</sup> Grade Course Requests
- Syracuse High School Courses

## ❖ High School Credit Options

- **Statewide Online Education Program (SOEP)**
  - <https://www.schools.utah.gov/edonline>
- **Davis Connect Online Learning (Davis School District)**

### DAVIS CONNECT ONLINE LEARNING OPTIONS

<https://davisconnect7-12.davis.k12.ut.us>

#### Details: Online Classroom 7-12

*For students who want to work directly with an online teacher and peers, attending live virtual learning sessions (or watching the posted playbacks of the recorded learning sessions, if needed), learning and submitting assignments through Canvas within regular term deadlines.*

#### Details: Independent Study 7-12

*For students who want to work independently and submit assignments in Canvas at their own pace, within regular term deadlines, while having access to an online teacher to ask questions about content.*

#### Details: A La Carte Independent Study 7-12

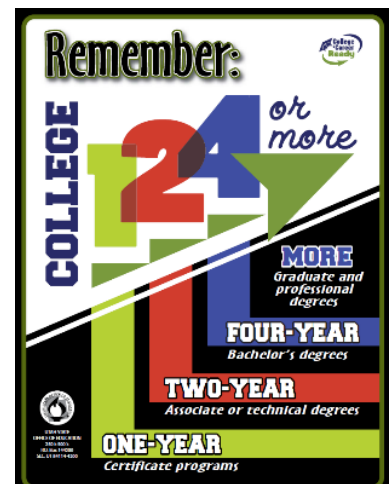

*For students who want to work independently and submit assignments in Canvas at their own pace, throughout the entire school year (courses remain open from the day of enrollment until the last day of school or until the student finishes, whichever comes first), while having access to an online teacher to ask questions about content. These courses are available for students who want a few online classes to get ahead, make room in their schedule, and/or make up missing credit.*

## ❖ College Credit Options in High School

- **Davis Technical College:** <https://davistech.edu/>
- **Concurrent Enrollment Classes (CE):** Weber State class taught at Syracuse High, \$5/credit hour
- **Advanced Placement Classes (AP):** college level courses, credit earned by passing test in May (\$94)
- **Early College at WSU:** classes taken AT Weber State's campus, [weber.edu/earlycollege](http://weber.edu/earlycollege)
