WELCOME

We would like to extend an invitation for you to take part in the variety of activities and services offered through River Valley Project Explore, a Community Education program serving adults with disabilities. The information provided here should give you a close look and better understanding of how our program works and where to acquire additional information that you may need. For over 32 years, Project Explore has been a leader in providing options for adults with disabilities to participate in activities that are specifically designed to meet their diverse needs.

FROM THE DESK OF THE COORDINATOR

The days are getting longer, warmer and sunnier. What a great time to plan some summer fun! We have a lot of outdoor activities planned for you. Our activities have been filling up quickly, so I hope you will be able to register early! Our Monday morning bowling league continues this summer to give you a fourth option for bowling as our afternoon leagues have been filling up.

While we have a lot of great activities planned for you, there's even more to do out in our communities. Check out Summer Happenings and Community Services in this catalog. There is also information about free and discounted programs around the Twin Cities to help keep you active all summer!

We hope you will join us for some social, recreational and learning opportunities this summer. We are always looking for ways to enhance our program. Please contact the office with any suggestions or ideas. We love to hear from you!

We love our Volunteers!

Project Explore Volunteers are very valuable and appreciated! Through the generosity of volunteers we are able to keep our class and activity fees low, allowing individuals to participate in more classes. Project Explore is always looking for volunteers to help with activities. If you, your group or organization would like to volunteer, please let us know. You can send us an email – projectexplore@district196.org – or call our office – 651-423-7931.

PROJECT EXPLORE GUIDELINES FOR PARTICIPATION

Project Explore promotes inclusion of adults with developmental, sensory, cognitive and physical disabilities in a variety of Community Education programs and makes reasonable accommodations to provide an enriching experience for all participants. Your cooperation in following the guidelines listed below helps to make the classes and trips run smoothly and safely.

1. Pre-registration is required for all classes, activities and trips. Walk-ins will be accepted for dances and Bingo, but pre-payment and reservations are appreciated.
 2. Participants must be accompanied to the classroom. The instructor or staff is in the classroom no earlier than 30 minutes prior to class. Check in with the Project Explore staff and confirm the best time to return and pick up the participant; this needs to be at least 15 minutes prior to the end of class.
 3. Participants who require personal assistance for physical and/or behavioral issues must be accompanied and supervised for all activities and events by their caregiver.
 4. All participants must be accompanied for field trips, unless they are their own guardian. Call the office with any questions.
 5. Any participant with an active seizure disorder must be accompanied and supervised at all Project Explore activities by their caregiver.
 6. All Project Explore programs are school district sponsored, so there is no smoking on school grounds. All programs are alcohol free.
 7. Transportation to and from all activities is the responsibility of the participant. Exceptions are for "Out On The Town" activities where a bus is provided.
 8. Instructors are not expected to, nor are trained to provide the level of assistance often required by people with disabilities. Instructors are not familiar with all the personal, physical or behavioral needs of the participants.
 9. Any individuals attending any of our activities on their own are asked to carry emergency contact information with them.
 10. If you do not wish for the image and likeness of you to be used for Project Explore or ISD 196's promotional materials and publications, contact Communication Department at communityed@district196.org or call 651-423-7701.
 11. Please do not bring any outside food or drink to non-meal events. It may cause inappropriate behavior from some participants. We appreciate your help.
 12. Arriving Late: Participants that arrive at an activity 30 minutes or more after the start time may not be permitted to complete all projects, activities or the event.
 13. Inclement Weather: In case of inclement weather check the ISD 196 website and also our outgoing voice message. We will make every effort to contact you.
- If unable to meet these guidelines, please call the program office.**
