

EVOLVE

Competency: COLLABORATE

Core Competencies and Associated Attainments

Definition: To work effectively with others in order to achieve a goal, solve a problem or complete a task.

Synonyms: cooperate, team up, unite

ATTAINMENT	DEFINITION
I can successfully navigate group dynamics.	Consider one's own strengths and areas for growth, as well as those of group members, and strategically leverage these to inform the group's overall approach.
I can both engage in and foster productive discourse.	Contribute to a discussion or task with relevant and substantive content, demonstrate active listening, and encourage the participation of others.
I can assume shared responsibility.	Take responsibility for one's individual assignment and work quality while also supporting and providing feedback to others.
I can understand, value and navigate multiple perspectives.	Demonstrate tolerance for views that differ from one's own, clearly communicate appreciation for different group members' perspectives and engage in active problem-solving when roadblocks are encountered.
