Dr. Keith W. Hilts, Superintendent of Schools

Good afternoon, Wausau School District Families:

As you may already be aware, County Road KK is still closed right by the entrance to the Wausau School Forest because of a culvert collapse. At this point in time, we do not know when the road will be fixed and reopened.

Since we have a lot of families and students traveling out there right now, here's how you can access the Wausau School Forest, if you're arriving from the Rib Mountain/Wausau area:

Instead of taking County Road N to KK, you should take County Road N to County Road O. Take County Road O south to Springbrook Road or County Highway B. No matter which road you choose, just turn onto County Road KK when you see it and head north to the School Forest. The main driveway remains open, but if it's easier, we do have another entrance open on River Vista Drive. Please know if you are arriving from the south, routes have not changed.

We will keep you up-to-date and as soon as we are notified that County Road KK is back open, we will let you know.

Thank you,
Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
