Don't be Afraid Little Pip.
This book is about a penguin that thinks he can't fly. He came to a penguin girl and he asked her if penguins can fly. She said that penguins can't fly. He went to practice with his mom and Dad. First he was practicing again and again until he went to the sea. Practicing with his self until he got it. He came to his friends, and he told them that he learned how to swim. Now he knows that penguins can't fly.
