**A fun and educational summer camp
for students entering grades 3, 4, and 5.**

This year's camp will feature three distinctive sessions:

Tinker like Engineers

July 3, 5, 6 & 7

Discover the world of engineering. Create your own light-up wand using simple circuits and explore the exciting possibilities of 3D printing.

Chem Detectives

July 10 - July 14

Investigate the fascinating world of chemistry. Learn how it impacts our daily lives - from the perfume we wear to the cleaning solution we use at home.

Green Screen Mania

July 15 - July 19

Dive into the world of animation and augmented reality. Use green screens to bring your imagination to life and take your assignments to the next level.

Camp will be held on the campus of Cedar Crest College.
