to Autism Research

Drive-Thru purchases count toward donations as well as those Dining-In

PBIS Booster Days!

Kerr Elementary School's PBIS (Positive Behavior Interventions & Supports) Committee developed two booster days (K-2 & 3-5) for our students in March. The Booster day's theme was titled, "Watch Us Bloom," and focused on students working on understanding and coping with their emotions in order to be a better person. The emotions that were addressed during our PBIS Booster Days were Joy, Anger, and Sadness. Activities included: Craft (Joy) - making a Spring craft to donate to someone in need of some joy; Yoga (Anger) - learning yoga with Marlie Filipek (<https://comeplayyoga.com/>); and Coping Strategies (Sadness) - video and classroom discussion.

SAVE THE DATE!

CAMP ALLEGHENY 2019

WHO: Parents/Guardians of current 4th grade students (upcoming 5th grade students in 2019-2020)

WHAT: 5th Grade Camp Allegheny and Curriculum Meeting

WHEN: Tuesday, May 7th @ 5:30 - 7:30 PM (5:30-6:30 PM Curriculum Talk, 6:30-7:30 PM Camp Allegheny Presentation)

WHY: Camp Allegheny is the third week of school for Kerr, from Sept. 16-19, 2019. This is earlier than usual and we want to provide ample time for parents to complete the paperwork and gather supplies. **NOTE:** One form requires a doctor signature that you would be able to take care of over the summer when your child is already home. This will also be the only night for 5th grade teachers to review curriculum.
