0162

The Board of Education will give notice of all meetings in accordance with law.

Adequate Notice

The Board Secretary shall provide written advance notice of at least forty-eight hours, giving the time, date, location and, to the extent known, the agenda of any regular, special, or rescheduled

meeting, which notice shall accurately state whether formal action may or may not be taken and which shall be prominently posted in at least one public place reserved for such or similar announcements; mailed, telephoned, telegraphed, or hand delivered to at least two newspapers which newspapers shall be designated by the public body to receive such notices because they have the greatest likelihood of informing the public within the area of jurisdiction of the public body of such meetings, one of which shall be the official newspaper, where any such has been designated by the public body or if the public body has failed to so designate, where any has been designated by the governing body of the political subdivision whose geographic boundaries are coextensive with that of the public body; and filed with the clerk of the municipality when the public body's geographic boundaries are coextensive with that of a single municipality, with the clerk of the county when the public body's geographic boundaries are coextensive with that of a single county, and with the Secretary of State if the public body has Statewide jurisdiction. Where annual notice or revisions thereof in compliance with N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act, set forth the location of any meeting, no further notice shall be required for such meeting.

In accordance with N.J.S.A. 10:4-9, upon the affirmative vote of three-quarters of the members present, the Board may hold a meeting notwithstanding the failure to provide adequate notice if:

1. Such meeting is required in order to deal with matters of such urgency and importance that a delay for the purpose of providing adequate notice would be likely to result in substantial harm to the public interest; and
2. The meeting is limited to discussion of and acting with respect to such matters of urgency and importance; and
3. Notice of such meeting is provided as soon as possible following the calling of such meeting by posting written notice of the same in the public place described in N.J.S.A. 10:4.8.d., and also by notifying the two newspapers described in N.J.S.A. 10:4.8.d. by telephone, telegram, or by delivering a written notice of same to such newspapers; and
4. Either the public body could not reasonably have foreseen the need for such meeting at a time when adequate notice could have been provided or although the public body could reasonably have foreseen the need for such meeting at a time when adequate notice could have been provided, it nevertheless failed to do so.

Personal Notice of Meeting

In accordance with the provisions of N.J.S.A. 10:4-12.b.(8), the Board may exclude the public from that portion of a meeting at which the Board discusses any matter involving the employment, appointment, termination of employment, terms and conditions of employment, evaluation of the performance of, promotion, or disciplining of any specific prospective public officer or employee or current public officer or employee employed or appointed by the Board, unless all the individual employees or appointees whose rights could be adversely affected request in writing that the matter or matters be discussed at a public meeting.

The Board will provide notice to the affected person that will include the date and time of the closed session meeting, the subject or subjects scheduled for discussion at the closed session meeting, and the right of the affected person to request that the discussions be conducted at a public meeting. Such notice will be given no less than forty-eight hours in advance of the closed session meeting.

A written request for public discussion must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

A discussion held in public by reason of the written request of an individual will be conducted at a regularly scheduled meeting for which annual notice has been given or at a meeting for which adequate public notice has been given in accordance with law.

Nothing in this Bylaw will permit an employee to request or the Board to grant the public discussion of tenure charges or permit the public disclosure of information regarding a student.

BILINGUAL AND ESL EDUCATION (M)

2423

M

The Board of Education will provide programs of bilingual education, English as a second language (ESL), and English language services program for English language learners (ELLs) as required by law and rules of the New Jersey State Board of Education. ELLs are those students whose native language is other than English and who have varying degrees of English language proficiency in any one of the domains of speaking, reading, writing, or listening and is synonymous with limited English speaking ability pursuant to N.J.S.A. 18:35-15 through 26.1.

Identification of Eligible ELLs

The district shall use a multi-step process at the time of enrollment to determine the native language of each ELL. The district shall:

1. Maintain a census indicating all identified students whose native language is other than English; and
2. Administer the Statewide home-language survey to determine which students in Kindergarten to grade twelve whose native language is other than English must be screened further to determine English language proficiency. The Statewide home-language survey shall be administered by a bilingual/ESL or other certified teacher and shall be designed to distinguish students who are proficient English speakers and need no further testing.

The district shall determine the English language proficiency of all Kindergarten to grade twelve students who are not screened out and whose native language is other than English by administering an English language proficiency test, assessing the level of reading in English, reviewing the previous academic performance of students, including their performance on standardized tests in English, and reviewing the input of teaching staff members responsible for the educational program for ELLs. Students who do not meet the New Jersey Department of Education (Department) standard on a language proficiency test and who have at least one other indicator shall be considered ELLs. The district shall also use age-appropriate methodologies to identify preschool ELLs to determine their individual language development needs.

Bilingual Programs for ELLs

The district shall provide the following programs:

1. An English language services program in accordance with N.J.A.C. 6A:15-1.2;
2. An ESL program in accordance with N.J.A.C. 6A:15-1.2; and
3. A bilingual education program in accordance with N.J.A.C. 6A:15-1.2.

All teachers in these programs shall be appropriately certified in accordance with the requirements as outlined in N.J.A.C. 6A:15-1.9. Every student participating in a bilingual, ESL, or English language services program shall be entitled to continue such participation for a period of three years pursuant to N.J.S.A. 18A:35-19.

Bilingual, English as a Second Language, and English Language Services Program Enrollment, Assessment, Exit, and Reentry

Students enrolled in the bilingual, ESL, or English language services program shall be assessed annually using English Language Placement (ELP) assessments to determine their progress in achieving English language proficiency goals and readiness for exiting the program. Students who meet the criteria for Statewide alternate assessments, pursuant to N.J.A.C. 6A:14-4.10(a)2., shall be assessed annually using an alternate ELP assessment.

ELLs enrolled in the bilingual, ESL, or English language services program shall be placed in a monolingual English program when they have demonstrated readiness to exit a bilingual, ESL, or

English language services program through a Department-established criteria on an ELP assessment and a Department-established English language observation form. A student shall first achieve the Department-established English proficiency standard as measured by an ELP assessment. The student's readiness shall be further assessed by the use of a Department-established English language observation form that considers, at a minimum: classroom performance; the student's reading level in English; the judgment of the teaching staff member or members responsible for the educational program of the student; and performance on achievement tests in English.

In accordance with provisions of N.J.S.A. 18A:35-22.1, a parent may remove a student who is enrolled in a bilingual education program at any time; except that during the first three years of a student's participation in a bilingual education program, the parent may only remove the student at the end of each school year.

If a parent wishes to remove the student prior to the end of each school year, the removal shall be approved by the Executive County Superintendent. If the Executive County Superintendent determines the student should remain in the bilingual education program until the end of the school year, the parent may appeal the Executive County Superintendent's decision to the Commissioner of Education or designee pursuant to the provisions of N.J.S.A. 18A:35-19.2.

Newly exited students who are not progressing in the mainstream English program may be considered for reentry to bilingual and ESL programs in accordance with the provisions of N.J.A.C. 6A:15-1.10(e)1. through (e)5.

When the review process for exiting a student from a bilingual, ESL, or English language services program has been completed, the student's parent shall be informed by mail of the placement determination. A parent or teaching staff member who disagrees with the proposed placement may appeal the decision in writing to the Superintendent of Schools or designee, who will provide a written explanation for the decision within seven working days. The complainant may appeal this decision in writing to the Board within seven calendar days of receiving the Superintendent's or designee's written explanation of the decision. The Board will review the appeal and respond in writing to the parent within forty-five calendar days of the Board's receipt of the parent's written appeal to the Board. Upon exhausting an appeal to the Board, the complainant may appeal to the Commissioner of Education.

Parental Involvement

The parents of ELLs will be notified in accordance with the provisions of N.J.A.C. 6A:15-1.13 that their child has been identified as eligible for enrollment in a bilingual, ESL, or English language services education program. Notice shall be in writing and in the language in which the parent(s) possesses a primary speaking ability, and in English. The notice must also include a statement that the parents have the option of declining their child's enrollment in a bilingual program, and shall be given an opportunity to do so if they choose.

The district will notify the parents of ELLs by mail within thirty days of the child's identification.

Parents shall receive progress reports of students enrolled in bilingual, ESL, or English language services programs in the same manner and frequency as progress reports are sent to parents of other students enrolled in the district.

The Superintendent or designee will provide for the maximum practical involvement of parent(s) of ELLs in the development and review of program objectives and dissemination of information to and from the district Boards of Education and communities served by the bilingual, ESL, or English language services education programs. A district that implements a bilingual education program shall establish a parent advisory committee on bilingual education of which the majority membership shall be parents of ELLs.

Graduation

ELLs will qualify for graduation from high school in accordance with N.J.A.C. 6A:8-5.1(a) and Policy 5460.

Program Plan

The Superintendent shall prepare and submit a plan for a bilingual, ESL, or English language services program every three years to the Board and the New Jersey Department of Education for approval in accordance with the provisions of N.J.A.C. 6A:15-1.6.

N.J.S.A. 18A:35-15 through 18A:35-26.1
N.J.A.C. 6A:14-4.10; 6A:15-1.1 et seq.

ATTENDANCE (M)

5200

M

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the school district attend school regularly in accordance with the laws of the State.

For the purpose of this Policy and Regulation 5200, “parent” means the natural parent(s), adoptive parent(s), legal guardian(s), resource family parent(s), or surrogate parent(s) of a student. When parents are separated or divorced, “parent” means the person or agency who has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of

expectations and consequences regarding truancy, student conduct, promotion, retention, and the award of course credit is a Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200. In accordance with the provisions of N.J.A.C. 6A:16-7.6 and for the purposes of Policy and Regulation 5200, a student's absence from school will either be excused or unexcused. Unexcused absences will count toward truancy.

A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student's absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student's parent to notify the parent of the absence and determine the reason for the absence.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. In accordance with N.J.S.A. 18A:36-14, a student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4. and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of the Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2.

STUDENT ENROLLMENTS (M)

8140

M

The Board of Education recognizes that efficient district operations require an accurate and up to date accounting of the number of students resident in this district and enrolled in district classes and programs.

Student attendance shall be recorded in the school register during school hours on each day in session pursuant to N.J.A.C. 6A:32-8.3. A staff member designated by the Superintendent shall keep in the school register, attendance of all students, and shall maintain the attendance records in accordance with N.J.A.C. 6A:32-8 and N.J.A.C. 6A:32-8.1(c).

In accordance with N.J.A.C. 6A:32-8.1(e), a student who has been placed on home instruction shall have their attendance status recorded on the regular register for the program in which the student is enrolled. The student shall be marked absent for the period beginning the first day the student is unable to attend school and ending the day before the first instructional day at the student's place of confinement. Absences shall not be recorded for the student while on home instruction, provided the hours of instruction are no less than required by N.J.A.C. 6A:14-4.8 and 4.9 and N.J.A.C. 6A:16-10.1 and 10.2. The number of possible days in membership for a student on home instruction shall be the same as for other students in the program in which the student is enrolled.

Such records shall be made and maintained as will enable the Board to plan program and facilities development, to make appropriate allocation of district resources, and receive the district's maximum amount of State and Federal aid.

The Superintendent or designee shall annually and in accordance with the timelines established by the Commissioner, file a report with the Commissioner stating the school district's enrollment.

STUDENT RECORDS (M)

8330

M

The Board of Education believes that information about individual students must be compiled and maintained in the interest of the student's educational welfare and advancement. The Board will strive to balance the student's right to privacy against the district's need to collect, retain, and use information about individual students and groups of students. The Board authorizes the establishment and maintenance of student files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

General Considerations

The Board shall compile and maintain student records and regulate access in accordance with the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. §1232g, and 34 CFR Part 99, disclosure, or communication of information contained in student records in a manner that assures the security of the records in accordance with the provisions of N.J.A.C. 6A:32-7 et seq. Student records shall contain only information that is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record. The district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and Board policies shall be made available upon request. The district shall make every effort to notify parents and adult students in their dominant language.

Nonadult students may assert rights of access only through their parent(s). However, nothing in N.J.A.C. 6A:32-7 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to nonadult students or to appropriate persons in connection with an emergency, if the information contained in the record is necessary to protect the health or safety of the student or other persons.

No liability shall be attached to any member, officer, or employee of the Board permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7 et seq.

Student Information Directory

A student information directory is a publication of the Board that includes information relating to a student as defined in N.J.A.C. 6A:32-2.1. This information includes: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information. The student information directory shall be used only by authorized district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption.

In the event the district publishes a student information directory, the Superintendent or designee will provide a parent or adult student a ten-day period to submit to the Superintendent a written statement prohibiting the inclusion of any or all types of information about the student in any student information directory before allowing access to the directory and school facilities to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1, P.L. 114-95 §8528, and 20 U.S.C. §8528 - Armed Forces Recruiter Access to Students and Student Recruiting Information of the Every Student Succeeds Act of 2015. In accordance with N.J.S.A. 18A:36-19.1, military recruiters will be provided the same access to a student information directory that is provided to educational and occupational recruiters.

School Contact Directory for Official Use

A school contact directory for official use is a compilation by the district that includes the following information for each student: name; address; telephone number; date of birth; and school enrollment. The district shall compile and maintain a school contact directory for official use in accordance with N.J.A.C. 6A:32-7.2, that is separate and distinct from the student information directory. The student contact directory may be provided for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. To exclude any information from the school contact directory for official use the parent, adult student, or emancipated minor shall notify the Superintendent or designee in writing.

Mandated and Permitted Student Records

Mandated student records are those records districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student's educational welfare. The Board shall authorize the permitted records to be collected by adopting this Policy and Regulation 8330, which will list such permitted records.

Maintenance and Security of Student Records

The Superintendent or designee shall be responsible for the security of student records maintained in the district in accordance with the provisions of N.J.A.C. 6A:32-7.4. This Policy and Regulation 8330 assure that access to student records is limited to authorized persons.

Records for each individual student may be stored electronically or in paper format. When student records are stored electronically, proper security and back-up procedures shall be administered.

Student health records, whether stored on paper or electronically, shall be maintained in accordance with N.J.A.C. 6A:32-7.1(l). Records shall be accessible during the hours in which the school program is in operation.

Any district website shall not disclose any personally identifiable information about a student in accordance with N.J.S.A. 18A:36-35 and N.J.A.C. 6A:32-2.1.

Access to Student Records

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records. Access to student records shall be provided to persons authorized such access under N.J.A.C. 6A:32-7.1 et seq. within ten days of a request, but prior to any review or hearing conducted in accordance with N.J.A.C. 6A.

The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth at N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5(c).

Access to and disclosure of a student's health record shall meet the requirements of FERPA.

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records.

Nothing in N.J.A.C. 6A:32-7 et seq. or in this Policy and Regulation 8330 shall be construed to prohibit school personnel from disclosing information contained in the student health record to students or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the student or other persons.

In complying with N.J.A.C. 6A:32-7 – Student Records, the district shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and FERPA.

Conditions for Access to Student Records

All authorized organizations, agencies, and persons defined in N.J.A.C. 6A:32-7 et seq. shall have access to a student record, subject to conditions outlined in N.J.A.C. 6A:32-7.6.

Rights of Appeal for Parents and Adult Students

Student records are subject to challenge by parents and adult students on the grounds of inaccuracy, irrelevancy, impermissible disclosure, inclusion of improper information, or denial of access to organizations, agencies, and persons in accordance with N.J.A.C. 6A:32-7.7(a).

To request a change in the student record or to request a stay of disclosure pending final determination of the challenged procedure, the parent or adult student shall follow the procedures pursuant to N.J.A.C. 6A:32-7.7(b).

Appeals relating to student records for students with disabilities shall be processed in accordance with the requirements of N.J.A.C. 6A:32-7.7(c).

Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for contesting a portion of the student record, including the decision made in the appeal. The parent's or adult student's statement shall be maintained as part of the student record, as long as the contested portion of the student record is maintained. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

Retention and Disposal of Student Records

A student record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the student is enrolled in the district. The Board shall retain the student health record and the health history and immunization record according to the School District Records Retention Schedule, as determined by the New Jersey State Records Committee.

Student records of currently enrolled students, other than the records described in N.J.A.C. 6A:32-7.8(f), may be disposed of after the information is no longer necessary to provide educational services to a student and in accordance with the provisions of N.J.A.C. 6A:32-7.8(c).

Upon graduation or permanent departure of a student from the district, the parent or adult student shall be notified in writing that a copy of the entire student record will be provided to them upon request. Information in student records, other than that described in N.J.A.C. 6A:32-7.8(f), may be disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq. Such disposition shall be in accordance with the provisions of N.J.A.C. 6A:32-7.8(c)2.

No additions shall be made to the record after graduation or permanent departure without the prior written consent of the parent or adult student.

In accordance with N.J.A.C. 6A:32-7.8(f), the district of last enrollment, graduation, or permanent departure of the student from the district shall keep for 100 years, a mandated record of a student's name, date of birth, name of parents, gender, health history and immunization, standardized assessment results, grades, attendance, classes attended, grade level completed, year completed, and years of attendance.
