

2022-23 Field Trip Destinations

Home Depot - Hazlet, NJ

Oak Hill Farms - Lincroft, NJ

(The purpose for both trip locations are for Community Based Instruction, specifically for Thorne students. CBI trips provide our students with intellectual disabilities opportunities to learn and practice skills in the community and to interact with community members. Skills can include communication, mobility, listening, science, language arts, social studies, and math skills.)

The Villas of Holmdel - Holmdel, NJ

(5th Grade Band Members from Harmony Elementary will be performing for the residents.)

Atlantic Highlands Municipal Harbor - Atlantic Highlands, NJ

(Fishing Club students in grades 9-12 will engage in recreational fishing on a local charter boat in the area. In addition students will gain knowledge of local marine species, recreational fishing laws, knot tying, gear preparation, and seamanship.)

City Cruises - Weehawken, NJ

(8th grade Thorne students will have an opportunity to take a sightseeing cruise along the Hudson River for their end of year trip.)
