

Rules & Information

-All players must be 21 years of age or older.

-Two player better ball shamble format. Each player plays his/her own ball from tee. Players select best drive and then play own ball through the hole. Players record each of their gross scores on the card as well as their playing partners' scores. The low net score on each hole will serve as the team score and be determined and recorded by the Texas Rangers club staff after play.

-Double Bogey max. Each player is required to pick up their ball if their bogey shot is not holed or once their partner has completed the hole and been determined to have the lower score for the team. Keep up the pace of play.

-No mulligans. No gimmes [you must hole your putts regardless of length]. This is very important to protect the field.

-Pace of Play – If you fall behind, a warning will be issued. If you fall behind a second time, a double bogey [gross] will be given and the group required to move up a hole.

-Scorecard tiebreakers will be used to break all ties.

-Tee box assignments: [subject to change depending on number of flights]

Flight A	Gold Tees
Flights B, C & Seniors [65 and over]	Silver Tees
Women	Bronze Tees

-Grand Prize Shootout – low net twosome in each flight, low gross overall twosome and winning twosome of raffle drawing will compete in a shootout to determine grand prize winner. The shootout will be an alternate shot event staged on #9 immediately following the tournament.

The grand prize is a complimentary foursome in the 2023 MAGIS Golf Classic to be held at Stonebriar Country Club. We will also give gift prizes for the low gross team overall and the low net team in each flight.

Twosomes MUST keep their own gross scores as well as their teammates on paper scorecards and all players must sign both verifying accuracy.
