

CLASS SIZE

Kindergarten through grade three students to classroom teacher ratio:

The actual ratio of the FTE students enrolled in the district in kindergarten through grade three to kindergarten through grade three FTE classroom teachers shall be a target of the ratio of 18:1. For the purpose of this section “classroom teacher” shall mean any instructional employee who possesses a valid teaching certificate or permit issued by the superintendent of public instruction who is a general education teacher assigned to the classroom.

Cross Reference: Board Policy 6000 Program Planning, Budget Preparation, Adoption
and Implementation.

Revised: June 11, 2014
Adoption Date: March 25, 1999
North Kitsap School District
