Music in Our Schools Month - March

Steven Graziano, Director of Arts and Business Education

The National Association for Music Education has officially designated March for the observance of *National Music In Our Schools Month*® (MIOSM®), the time of year when music education becomes the focus of schools across the nation.

MIOSM is an opportunity for music teachers to bring their music programs to the attention of the school and the community, and to display the benefits that school music brings to students of all ages.

This evening, we are fortunate to enjoy a performance by MTPS students. These students collaborated under the direction of Ms. Monica Alexandre to celebrate Music in Our Schools Month. The band's performance is an example of our District's commitment to providing a comprehensive music education program for our students.
