PTA Update

Counseling Center Update

- Lots of schedule changes right now, continually new students
- HS previews are coming up, course requests have been collected
- Incoming 7th graders will register later than normal to allow more time to finalize schedule
- Continuing to work on attendance and 2-5 program

Principal Minute

- Kids are trying to get caught up for end of term
- Working on random tardy sweeps (those caught have lunch detention)
 - Message is kids can get to class on time if they want!!

Safety Plan Review

- Took plan from last year and updated
- Phone numbers for Key agencies & Emergency calling tree & Safety Drill Schedule
- Pages 10-28 are the protocols for main scenarios and a chain of command
- Pages 30-40 include emergency shut off, exit routes and training signature
- Continuous training
- Question was raised about contact with the LDS Seminary

Digital Citizenship

- Reviewed Council Responsibilities
- Net Ref is the district web service to help teachers/admin monitor student computers for websites and applications etc.
- Students must use school issued laptops
- Ms. Thompson would like a course for students to know about Digital Citizenship
 - Suggestion was made to look into Canvas Commons for a student course

- Council members gave suggestions of places to look for resources
- Council was encouraged to send ideas/suggestions into Ms. Thompson

Trustland planning for 2023-2024

- Ms. Thompson reviewed steps for plan
- Final changes must be made by April 2023
- February meeting will review current goals
 - Teachers will be allowed to propose Trustland spending
 - Draft will be finished/fine-tuned in March

Next Meeting was moved to February 7th (change in schedule)

Follow up on a question about the plan between Clearfield City and NDJH about an active shooter has been asked to the Aquatic Center. Waiting to hear back from CAC.

Follow up on city growth: Ms. Thompson has reached out to Clearfield City Planner. Waiting to hear back from city
