Douglas County School District**

FINANCES

BUILDING AND SITES FUND

The Board authorizes the establishment of a building and sites fund for the purpose of constructing or making additions to the schools of this District.

All funds collected for the subject purpose shall be placed in the District's bank account designated as the Douglas County School District Building and Sites Fund.

Moneys may be deposited or withdrawn from this account only by Board approval. The Assistant Superintendent for Business Services shall report to the Board semiannually on the status of the Building and Sites Fund.
