

ADMINISTRATIVE REGULATION

No. 714

Board of Trustees
Douglas County School District

PROPERTY

FACILITIES PLANNING – SCHOOL NAMING

The naming of rooms or specific areas on a school campus is to be considered with only very special justification and on rare occasions. The superintendent of schools may, after careful consideration, give approval for site level requests to name a room or an area of a school campus. Names attached to areas of the school may be limited in time and not guaranteed in perpetuity.

Requests to name a portion of a school facility in exchange for financial gain are prohibited unless expressly approved by the Board of Trustees.
