

Connect with a doctor anytime, anywhere

Convenient virtual visits are
available through Sydney Health

When you need care, you don't need an appointment and can avoid long wait times by using Sydney Health to see a board-certified doctor from the comfort of home. Use your smartphone, tablet, or computer with a camera to have a secure and private video visit in minutes. Doctors can assess your condition, give medical advice, and even send prescriptions to the pharmacy of your choice, if needed.*

Commonly treated health conditions:

- ✓ Coronavirus
- ✓ Flu
- ✓ Cold and fever
- ✓ Minor rashes
- ✓ Sore throat
- ✓ Headaches

Download the Sydney Health mobile app
