TITLE: SMALL GAMES OF CHANCE

ADOPTED: May 10, 2010

REVISED:

913.1. SMALL GAMES OF CHANCE	
1. Purpose	In 1990, the State Legislature passed Act 195 (Small Games of Chance) which governs such events as 50/50 drawings and raffles. Allegheny County requires special licensure and a fee is charged to permit small games of chance.
2. Authority	Any civic and service associations wishing to engage in small games of chance to support school-related and extracurricular activities must be recognized by Board resolution before the Treasurer of Allegheny County will grant a license at the organization's expense; PTA/PTO and booster groups qualify for such licensure.
3. Guidelines Pol. 707	An organization desiring recognition by the Board under Act 195 of 1990 should file an application with the Superintendent providing sufficient information for the Board to make a determination under the Act on a form provided by the Superintendent for that purpose. The information provided in this application form must be verified by a responsible person.
