

Wanted: dads, step-dads, grandfathers, uncles, and other father figures

The Fleetwood Area Middle School needs your help. WATCH D.O.G.S. (www.dadsofgreatstudents.com) is a nationally recognized program that has been utilized by many school districts since 1998. This program focuses on safety and education by applying positive influences of fathers and father figures from our communities and school districts.

Volunteers will be asked to assist in classrooms, monitor hallways, and cafeterias. A schedule will be provided when you arrive at the main office on the day you request below. Please complete the form below with a few dates that you would be available. You will be contacted when your date is confirmed.

If you would be able to volunteer, you will need to obtain current criminal and child abuse clearances. All clearances may be completed online at:

<https://www.psp.pa.gov>

Any questions or concerns may be directed to the main office at 610-944-7634. Please consider volunteering your time one day during the school year.
