Meet & Greet 2020-2021

Dear Parents,

I would like to formally invite your child(ren) and one parent to meet their teachers. The TLS staff feel that it is important to get the opportunity to greet their students before we begin our virtual school year to let them know that we miss them and to get a few minutes to introduce ourselves. This will include a brief time to meet your teachers and gather classroom items needed for virtual learning. The PTA will also be present to hand out school kits and other materials for your child(ren).

Meet & Greet Sessions will be held outdoors in the field between TLS & EVW in order to maintain safe social distancing and to facilitate all grades having an opportunity. Masks will be required for all participants and all social distancing guidelines will be implemented.

Each *Meet & Greet* session is limited to 15 minutes. Please arrive and depart on time, to clear the field and parking lot in a timely fashion to prepare for the next group.
