EVW Outdoor Meet & Greet

Dear EVW Parents/Guardians,

An *Outdoor Meet & Greet* session is scheduled for all EVW students to safely meet their teachers and pick up materials needed for our virtual remote learning environment. Our *Meet & Greet* is scheduled for each homeroom on either **TUESDAY, SEPTEMBER 8** or **WEDNESDAY, SEPTEMBER 9** according to the schedule below. Each *Meet & Greet* session will have two homeroom classes scheduled at one time for 15 minutes out in our open field area between EVW and TLS.

Please plan to have only one parent/guardian on hand during your child's scheduled session with masks/face coverings required for all participants while on our school grounds, so that we can successfully and safely adhere to all social distancing guidelines.

You may utilize the parking lots of either EVW or TLS during your child's scheduled session, but, please be sure to park in a location that will require minimal interaction with other families when proceeding to your designated *Meet & Greet* location out in the open field. Please practice social distancing on the field areas at all times.

Please arrive and depart on time during your scheduled *Meet & Greet* session, as our meeting space must be cleared in a timely fashion for the next group of classes.
