Semifinalists in the 67th Annual National Merit Scholarship Program

We commend the following students for qualifying as 2022 National Merit Program Semifinalists. The students have demonstrated exceptional academic promise and potential for success in rigorous college studies by their outstanding performance on the qualifying test used for program entry. These academically talented high school seniors have an opportunity to continue in the competition for some 7,500 National Merit Scholarships worth nearly \$30 million that will be awarded next spring.

Advanced Placement Recognition

The following High School North and High School South students have achieved recognition on one or more Advanced Placement exams. The Advanced Placement program offers college-level curricula and examinations to high school students whereby colleges and universities may grant placement and course credit to students who obtain high scores on the examinations. We congratulate our students for their successful efforts to prepare for their college academic goals.
