Intervention Strategies

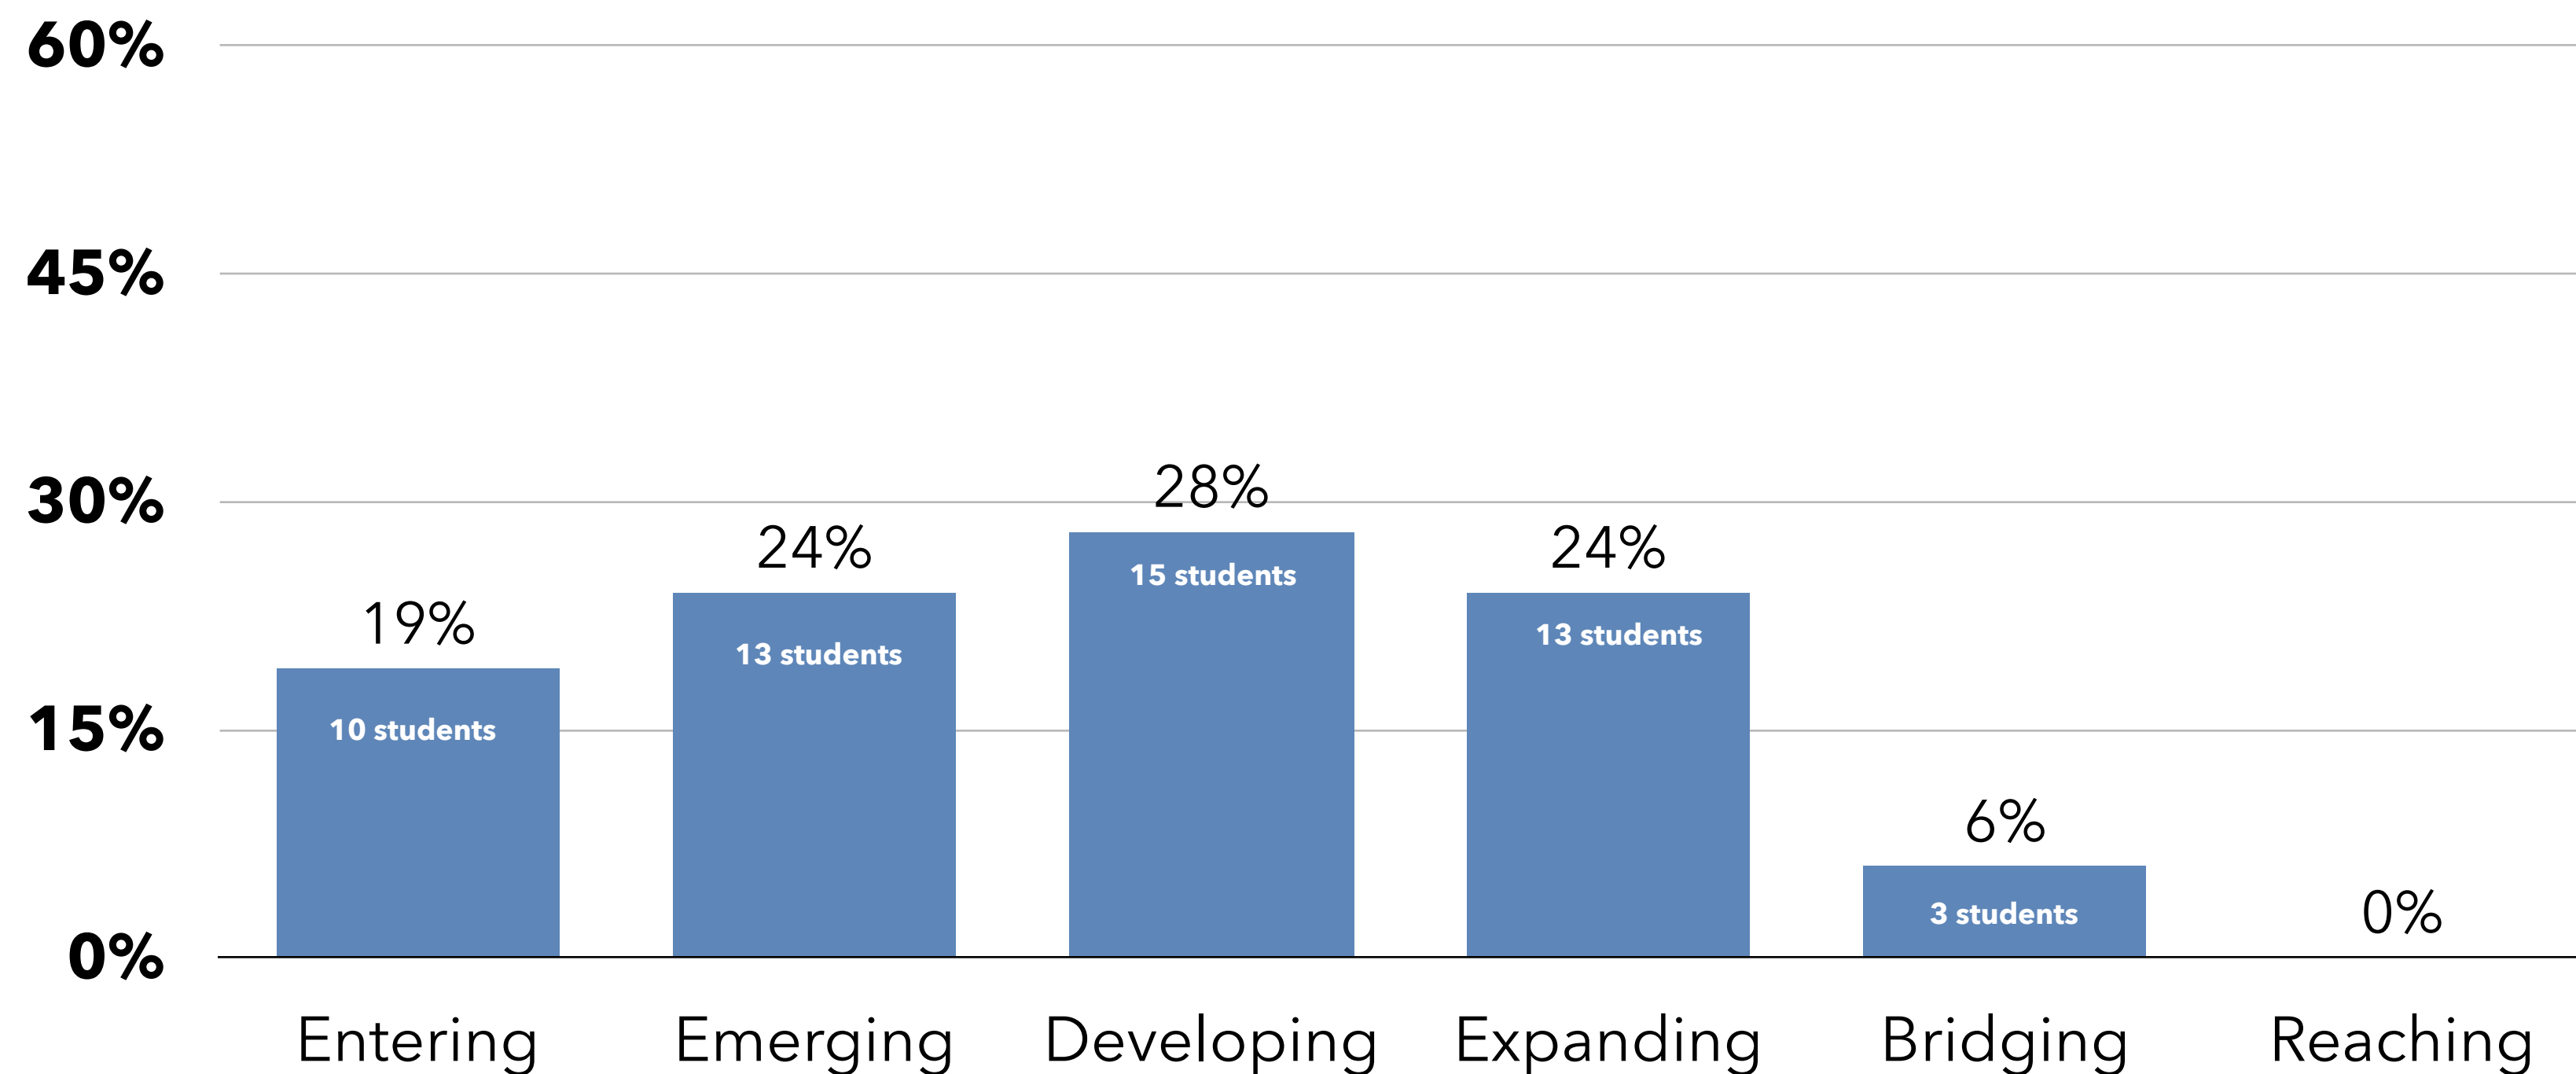

- Utilize PD days, PLC's, Curriculum, Faculty, and Team Meetings to analyze data
- Review curriculum and resources to optimize student learning
- Provide professional development to assist in addressing deficits or gaps
- Continue to offer opportunities to provide enrichment and academic support (AIS,What I Need (W.I.N.), and the use of an Interventionist)
- Provide tutorials to support students focusing on targeted skills
- Continue to research and implement best practice to improve student engagement
- Summer Academic Interventions including Credit Recovery

ACCESS Assessment Data

- ACCESS is an online assessment to identify students' level of English Language Acquisition. It is aligned to the WIDA standards.

ACCESS Spring 2022

Proficiency Levels

N=54 students

This data provides a look at the overall student performance at the conclusion of the school year. ELL students that achieved in the “expanding” or “bridging” categories have advanced out of the ELL category and are moved into monolingual courses.

Dynamic Learning Maps (DLM)

- The number of students for reporting is a minimum of (10)
- Springfield does not meet this criteria for reporting
