

Disciplinary Action and Discharge

When the superintendent determines that there are sufficient grounds to suspend and/or discharge a certificated staff member, the staff member will receive written notification which specifies the probable cause for such action. The notice will contain notice of the staff member's appeal rights, if any, and notice of the appeal processes. The staff member may submit within 10 days of such notification a written request ([RCW 28A.405.310](#)) for a hearing to determine whether or not there is sufficient cause for discharge. During the hearing, the procedures described in [Board Policy 5280 \(Termination of Employment\)](#) will be followed.

Staff who do not request a hearing will be adversely affected as specified in the written notice.

Classified staff not employed under formal contract may be suspended for a specified or indefinite number of days with or without pay. A regular status classified staff member will be advised of the right to request a pretermination meeting within five (5) working days following notice. At the hearing, the superintendent will provide notice of charges against the classified staff member, an explanation of the evidence that has been collected and the opportunity for the staff member to clarify or refute the charges. Following this conference, the superintendent will advise the staff member of the right to a hearing with the board prior to any formal action that may be taken by the board.

A classified staff member who has contact with children or a certificated staff member whose certificate is subject to revocation will be terminated immediately for a guilty plea or conviction of any felony crime against children as stated in (F) below. Such employee will have the right of appeal. A school district board of directors is entitled to recover from the employee any salary or other compensation that may have been paid to the employee for the period between such time as the employee was placed on administrative leave, based upon criminal charges that the employee committed the felony crime, and the time termination becomes final.
