

Maintaining Professional Staff /Student Boundaries

The purpose of this procedure is to provide all staff, students, volunteers and community members with information to increase their awareness of their role in protecting children from inappropriate conduct by adults.

In a professional staff/student relationship, school employees maintain boundaries that are consistent with the legal and ethical duty of care that school personnel have for students.

A boundary invasion is an act or omission by a school employee that violates professional staff/student boundaries and has the potential to abuse the staff/student relationship.

An inappropriate boundary invasion means an act, omission, or pattern of such behavior by a school employee that does not have an educational purpose; and results in abuse of the staff/student professional relationship.

Unacceptable Conduct

Examples of inappropriate boundary invasions by staff members include but are not limited to the following:

- Any type of inappropriate physical contact with a student or any other conduct that might be considered harassment under the Board's policy on Harassment and Sexual Harassment of Students;
- Showing pornography to a student;
- Singling out a particular student or students for personal attention and friendship beyond the professional staff-student relationship;
- Socializing where students are consuming alcohol, drugs or tobacco,
- For non-guidance/counseling staff, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members are expected to refer the student to appropriate guidance/counseling staff. In either case, staff involvement should be limited to a direct connection to the student's school performance;
- Sending students on personal errands unrelated to any educational purpose;
- Banter, allusions, jokes or innuendos of a sexual nature with students;
- Disclosing personal, sexual, family, employment concerns, or other private matters to one or more students;
- Addressing students, or permitting students to address staff members with personalized terms of endearment, pet names, or otherwise in an overly familiar manner;
- Maintaining personal contact with a student outside of school by phone, email, Instant Messenger or Internet chat rooms, social networking Web sites, or letters (beyond homework or other legitimate school business) without including the parent/guardian.
- Exchanging personal gifts, cards or letters with an individual student;
- Socializing or spending time with students (including but not limited to activities such as going out for beverages, meals or movies, shopping, traveling, and recreational activities) outside of school-sponsored events, except as participants in organized community activities;
- Giving a student a ride alone in a vehicle in a non-emergency situation; and/or
- Unnecessarily invading a student's privacy, (e.g. walking in on the student in the bathroom)

Appearances of Impropriety

The following activities are boundary invasions and can create an actual impropriety or the appearance of impropriety. Whenever possible, staff should avoid these situations. If unavoidable these activities should be pre-approved by the appropriate administrator. If not pre-approved, the staff person must report the occurrence, to the appropriate administrator, as soon as possible.

- Being alone with an individual student out of the view of others;
- Inviting or allowing individual students to visit the staff member's home;
- Visiting a student's home; and/or
- Social networking with students for non-educational purposes.
