

Wilson Middle School

After School Study Hall Information and Form

Dear Wilson Families,

On Wednesdays from 2:05-3:20 we offer a study hall for students in after school activities. This study hall fills the time gap between school dismissal and the beginning of practice. It currently takes place in the auditorium with the expectation that students work quietly on individual learning activities. Benefits of this program include student supervision and a quiet environment to focus on assignments.

However, this study hall is optional. Families can choose for their student(s) to leave school grounds and return for practice. We just ask that students not return to school grounds before 3:20 when they will be let into the building's east entrance.

Please fill-out the below form to indicate which option works best for you so we can be prepared and so we know where students are during that time. This form will be sent home for each sport/season.

Return the bottom portion of this form to your coach or to the main office.

Student Name: _____ Student Sport/Activity: _____

Parent/Guardian: _____ Phone Number: _____

Options (please select 1):

_____ After School Study Hall

_____ Our student will leave school grounds and return for practice at 3:20
