

BIKE CLUB

The Elkhart Lake Police Department is sponsoring a Bike Club for the summer of 2023. The goals of this club will be to teach children and parents safe bicycling and bike skills. The club will meet after summer school on Thursdays at the Middle School for approximately 2 hours. Officer Niemi will meet students by the bike rack, near the playground, after summer school. They will be able to eat their lunch before they leave for biking. The biking will begin at 12:30. The first hour will be a ride in the community practicing our learned skills. We will also be stopping at parks and other fun areas.

The club would be open to kids ages 8-13 and parents are welcome to join. Children and parents participating will need a working and safe bicycle. Helmets are encouraged for riders. The Department has a limited supply of helmets to give away. All parents are welcome to stay for the entire event and participate.

To register for this club or ask questions, please contact Officer Niemi via email zniemi@elkhartlakewi.gov or phone 920-838-3987. In your email please provide the name and age of the participants, and if a parent or guardian will also be participating. Officer Niemi will create an email list through which all further communications and information will be passed along.
