Select one: New Item Renewed Item Annual Item Revised Item

II. WHY BOARD ACTION IS NECESSARY

Board resolution is required to accept Highline School District's membership with the Washington Interscholastic Activities Association (WIAA).

III. BACKGROUND INFORMATION

By action of the 1976 Legislature, each School District Board of Directors may delegate control, supervision, and regulation of any extracurricular activity to the WIAA and compensate the WIAA for services provided. The WIAA is the only governing body in Washington State granted authority by the State Board of Education to regulate extracurricular activities.

The School Board Resolution process presented here is carried out across the state in each WIAA member school district, annually, in June for the upcoming school year. Secondary schools within Highline School District, as members of the WIAA, develop schedules and compete with WIAA member schools in leagues associated with the WIAA, such as the North Puget Sound League (NPSL), and the King Co. League.

Delegation of authority to the WIAA aligns athletics within Highline Public Schools to the WIAA handbook, produced annually, establishing the rules and regulations governing interscholastic activity. The Board of Directors retains the right to establish eligibility standards that meet or exceed the rules and regulations of the WIAA, found in the WIAA handbook.

The WIAA Schedule Fees for 2023-24 SY will remain the same as the Schedule of Fees for the 2022-23 SY. be provided to the School Board by April 28, 2023. The WIAA states that the schedule fees will not be updated until the next classification cycle.

Sess. grants authority to each school district board of directors to control, supervise and regulate the conduct of interschool athletic activities and other interschool extracurricular activities of an athletic, cultural, social, or recreational nature for students in the district.

INTERSCHOLASTIC OFFICIALS L&I COVERAGE STATEWIDE & MEMBERSHIP BILLING

Beginning July 1, 1988, interscholastic sports officials were covered by Washington State Labor and Industries via a common rate and payment system that eliminated game-by-game calculations and record keeping by school and/or district business offices. WIAA will guarantee payment of L&I premiums for WOA registered officials for all interscholastic activities under WIAA's jurisdiction and will assess WIAA member schools based on tiered billing rates at the same time service fees are billed. Officials L&I coverage is only in effect for activities in which registered WOA officials officiate, and which are authorized and offered by School Board approval and listed on the school's WIAA membership form.

Member schools will be billed in August according to the Membership Fee Structure outlined in the handbook of the upcoming school year. Labor and Industries (L&I) fees will be included on the bills sent out to each member school at that time. Per Rule 3.6.4: Member school service and Labor and Industries fees are due November 1. Schools that fail to submit service and L & I fees by December 1 will be excluded from participation in regular season contests and culminating events until fees are remitted and be assessed a \$100.00 late fee.

By signing below the School District Superintendent/Head of School, School Board President (for Public School Districts), and school board members agree to the information above for the public school district or private school listed above, on or before the date listed above.
