PARKWAY PANTHER PRESS

In-House Zoo Field

Our K5 friends learned about animals and their habitats as well as how animals are able to camouflage to blend in with their environments. The students had a great time participating in this interactive, hands-on in-house field trip.

Brewer's Day-Friday, April 14th

Our 1st grade friends in Ms. Blanchard's class have used their creativity to design these fabulous baseball players in honor of the Brewers opening day and to kick off another wonderful season of baseball. We have been working diligently to sustain a positive and collaborative school culture and we wanted to demonstrate our Parkway pride by having our own Brewers Day. We are inviting all of the students to participate in Parkway's Brewers Day on Friday, April 14th. Students are welcome to wear Brewers gear, blue and gold or their Parkway spirit wear if they'd like to participate.

Congratulations to Our Beloved Mrs. Gember

Shout to Mrs. Gember who was nominated for the **Teacher of the Year**. Ms. Gember received an award and recognition last week for her commitment to students, families and education. She holds a deep rooted belief that ALL students can learn and she reaches students through instructional excellence. Ms. Gember is passionate, inspiring and innovative in her approach to teaching and building relationships with all of her students and their families. Way to go Ms. Gember! Her Parkway family would like to thank her for her years of service and for being an amazing role model, colleague and friend.

4th Grade Teachers Visit Our 3rd Grade Students

Parkway and Glen Hills are partnering to ensure our 3rd grade friends experience a smooth and positive transition to Glen Hills. On Tuesday, April 11th, the 4th grade team came to visit our third graders. During their visit, they facilitated a discussion which included sharing information about 4th grade with a built in time for 3rd grade students to ask questions related to their transition to Glen Hills. The students asked many great questions and are looking forward to 4th grade.
