TERMS OF BUSINESS

ALL PAYMENT PLANS: If you withdraw your child(ren) from HIS at any point before the start of the second semester you are responsible to pay 65% of the annual tuition and fees. You will be refunded the difference between what you have paid and this amount or you will pay the balance up to this amount. If you withdraw your child(ren) from HIS anytime after the second semester begins you are responsible to pay 100% of the annual tuition and fees.

ANNUAL PAYMENT PLAN - EARLY WITHDRAWALS:

If a student is subsequently withdrawn before the start of the second semester, the prepaid fees for the second semester will be refunded less the early payment discount allowed. Once a student starts a semester, even if only for one day, then the full fees for that semester are payable in full, regardless of payment plan.

QUARTERLY PAYMENT PLAN:

Students on quarterly payment schedules will be liable for full semester fees even if withdrawn early. As soon as notification is given of intended departure, the balance of any fees due for the remainder of that semester will be invoiced and must be paid before any transcripts are released.

Payment Methods:

Fees being paid from international bank accounts must be made by telegraphic transfer direct to **FIESA inclusive of all bank charges**. The school cannot accept any loss due to deductions by remitting or intermediary banks or for exchange differences if a payment is made in a currency other than US Dollars. This includes bank charges deducted on transfers, point of sale swipe machines (POS) and credit cards which will be passed onto the parent accordingly.

Fees being paid from local FCA accounts in Zimbabwe may be paid in cash to the cashier or via bank transfer to the school's local FCA accounts. Please note that there will be no discount for payment in cash.

Late Payment:

Invoices will be sent by e-mail or may be collected from the Business Office. It is the parent's responsibility to ensure they have received a copy of the invoice and to notify the Business Office immediately if there appears to have been a delay. The school cannot be held responsible for non-receipt of invoices in a timely fashion.

"Payable By" means that HIS must have receipted the payment on or prior to the date specified – payments processed by the parent/payer but not received by the school by the above due dates will be deemed to be late. Invoices may be sent out earlier than the date specified depending on school / public holidays etc. and parents will need to ensure that they take holidays / school closure into account when making payments.

Tuition fee payments must be receipted by the school prior to the due date for payment, clearly specified on the invoice. If the payment has been delayed for any reason, then interest will be charged for each day that the payment is delayed at the rate of 15% per annum. The interest will be calculated and invoiced at the end of the following month i.e. 30 days after the due date. If the interest levied is not paid within the month in which it was invoiced, this will also be subject to further interest in the subsequent month.

Penalties for Late Payment:

All fees are payable in advance. Any student whose fees have not been paid for the next quarter may be sent home. The process is as follows:

1. Penalties: Statements will be sent out at the beginning each month. If the fees due in the previous month have not been paid, parents will be advised that interest has started to accrue and will be levied at the end of that month.
2. Student Suspensions: The school will require payment of any outstanding tuition that has not been settled by the start of the subsequent quarter, including any other outstanding payments.
3. Report Cards and Transcripts: Report cards and year-end transcripts will not be issued and access to the IT portals will be withheld until the Business Office has signed off that all fees due, at that time, have been paid.
4. Legal Process: Appoint a debt collection agency or take whatever legal action is required to recover any outstanding debt in the event the school determines the outstanding debt is excessive in terms of the days overdue or the amount, or there is no response to the HIS notices. All legal costs involved will be your responsibility.

Refunds:

A fee of \$50 plus a bank charge fee of \$25 will be charged to cover administration costs on refunds accordingly.

Force Majeure:

In the event of full school closure (suspension of all learning activities) for reasons of force majeure, the School will act in

accordance with the HIS Articles of Association.
