Dear Families:

Over the past few months we have worked diligently to secure the necessary staffing to offer a summer Driver's Education Program to our students. We know how valuable this is to our families and we wanted desperately to be able to offer this option. Unfortunately, despite our best efforts, we have been unsuccessful in securing the necessary staff. Therefore, we will not be able to offer a Driver's Education Program this coming summer.

Below you will find some local options that you may consider but please be aware that the district is in no way affiliated with these programs:

Gersh Drivers Education website: <https://www.gershacademydriversed.com>

Phone Number: 631-416-7224. They have locations in West Hempstead and Huntington.

HANC (Hebrew Academy of Nassau County) website: Hanc.org Phone Number: 516-489-7479

They have locations in West Hempstead and Uniondale.

We are unsure if we will be able to offer Driver's Education in the future but will continue to make efforts to bring back the program if the appropriate certified staff is available.

Sincerely,

Phyllis S. Harrington, Ed.D.
Superintendent of Schools
