

Equipment Agreement

I _____ ID# _____ will assume responsibility for the items that I have borrowed from South Texas ISD libraries. I further certify that I will take extreme care of these items and will not leave them unattended at school or at any other location. In addition, I agree to reimburse the library for the original value of these items should they be lost, damaged, or stolen. Each item will be inspected by a library staff member and the student upon check out/in.

All equipment will be checked out overnight and must be returned to a library staff member the following morning. **If equipment is not returned to the library by the due date, your child may lose equipment checkout privileges.**

I further promise that the reason I am taking these items home is to use them for schoolwork.
