

February 2023

Dear Nursery parents/carers

We have now set the nursery funding and closure dates from September 2023 to August 2024. I am writing to inform you of the dates and have attached our nursery calendar for more information.

The Nursery will be closed to all pupils on the following dates:

29th August 2023 until 1st September 2023 inclusive

25th December 2023 until 2nd January 2024 inclusive

19th August 2024 until 30th August 2024 inclusive

Hedgehogs and Squirrels accessing fee paying sessions will return to nursery from Monday 5th September 2023.

Those children accessing 2-year funding, or 3-year funding can return to nursery on Wednesday 6th September. This applies to both the flexible and stretched offer

Squirrels and Badgers using the 15/30 hour Flexible Funding Offer

Children using this funding scheme will not be funded on the following dates:

23rd October – 27th October 2023

18th December – 2nd January 2024

12th February – 16th February 2024

2nd April – 12th April 2024

28th May – 31st May 2024

24th July – 30th August 2024

Squirrels and Badgers using the 12/24 hour Stretched Funding Offer

Children using this funding scheme will be funded until 16th August 2024. We have taken to decision to close the nursery from week commencing 19th August until the 30th August 2024. This will enable our staff team to take one week of annual leave during the schools holidays, which will support their wellbeing, enabling them to spend some of the summer holiday with their families, as well as causing less of an impact throughout the rest of the year. It will also ensure that any contractors that need to access the nurse, can do so causing minimum disruption to the children at other times. The second week will include our annual staff training.

For more information about these dates please refer to the Nursery EYEE calendar attached to this letter. If you have any queries please do not hesitate to contact a member of the nursery team.

Yours sincerely

Miss C Thayre

Executive Principal
