Students in grades 9-11 may be excused from the Physical Education requirements by participating in a West Branch High School district sponsored activity including interscholastic sports, marching band or cheerleading for at least two (2) full athletic seasons. An athletic season is defined by the rules and by-laws of the Ohio High School Athletic Association, the policies adopted by West Branch High School and each individual activity coach/advisor.

Participation in interscholastic athletics, marching band and cheerleading are a privilege and not a right. This policy shall not in any way be construed as granting the right to participate in a sponsored activity. All team rules and policies apply, including the Athletic Code of Conduct. Student athletes must finish the season in good standings and complete all activities through the season completion in order to be granted this waiver. Coaches/sponsors must sign off on each student, as well as the Athletic Director or Principal. Students not completing Physical Education classes or the Waiver by grade twelve (12) will automatically be enrolled in a Physical Education Class at West Branch High School. **Only one (1) waiver can be applied for each year.**

I have read the policy and understand the expectations that must be met in order to be granted the waiver.  
 Note: This form must be submitted to the West Branch High School Principal by **April 15<sup>th</sup>**. **A form must be on file for each year of participation.**
