

Flexible Instruction Days Educator & Learner

GS Mission:

Educate every child to be a productive and responsible citizen ready to serve the communities of their future.

GS Vision:

Greensburg Salem envisions a future where all graduates are prepared as pillar citizens and human beings prepared with the knowledge, skills, and dispositions necessary for serving their local and global communities for personal, social, economic, and environmental stability and growth.

The following information is a guide for how learning will take place during Flexible Instruction Days (FIDs). FIDs allow the district to continue learning in the event of emergency closures of all district buildings, most commonly, snow days.

Learners:

- All learners should take their district provided device (iPad or HP Stream) home with them each day
- Learners will log into their Schoology (K-5) or Teams (6-12) pages to gather asynchronous learning expectations for the FIDs school day.
- Synchronous meeting times will be provided for additional support, explanation, or clarification of the day's learning objectives. The schedule for synchronous meetings can be found on page 2 of this document.

Educational Staff:

- Teachers should prepare space and place at home for work in the event of a FID
- Teachers will have asynchronous lessons prepared in Schoology (K-5) or Teams (6-12)
- Teachers will work throughout the day to check in with children and families, with primary focus on children struggling in their course/class.
 - o Teachers will document all parent, child, and family outreach.
 - o Counselors should spend time reaching out to families in need. Students involved in SAP should be a primary focus.
