Series 400: Certified Personnel: Employment

Policy No. 402.13

Policy Title: Professional Development

Page 1 of 1

The Board of Trustees, administration and certificated personnel of the Post Falls School District collaboratively foster and support student success through ongoing and systematic professional development. Opportunities will be aligned to the district's strategic goals and empower employees to improve student achievement through high quality instruction.

Professional development will promote the:

- implementation of the curriculum to improve student achievement;
- use of assessment data to determine student achievement and needs, drive instruction, and provide meaningful student feedback;
- effective use of technology as an instructional tool,
- growth of professional employees as part of a continuous improvement cycle; and
- physical, social, and mental well-being of employees and students,

The district will also provide professional development in the areas mandated by Idaho Code.
