

HOST AN INTERN

- Learn about another culture in your home
- Create lifelong friendships
- Learn a new language
- Share your family and traditions

During the school year the Rios Spanish Immersion program plays host to cultural interns from Spanish speaking countries at Jefferson Elementary and Winona Middle School. This intern program depends on families to host these international visitors.

We are looking for homestays that could last 3-5 months.

No need to be a district family, anyone in the community can host.

If your family is interested fill out the following form:
