Dear DCS Parents and Staff,

On Monday, April 10, 2023, the Dexter Community Schools Board of Education approved a resolution authorizing Dexter Community Schools to join a nationwide litigation against Snapchat, Facebook, Instagram, Tik-Tok, and other social media platforms in a California federal court. The Board approved joining the suit out of concern to protect students.

“The lawsuit seeks monetary damages and injunctive relief associated with defendants targeting minors to maximize profits despite knowing the severe detrimental effects excessive social media use causes to minors.” In January 2023, Pittsburg Public Schools, Seattle Public Schools, and other public school districts across the country joined a nationwide lawsuit against the listed social media companies. Dexter Community Schools is joining the lawsuit in hopes of protecting our students.

Thank you for your continued support, your collective commitment to kids, and Go Dreads!

Sincerely,

Christopher Timmis, EdD

Superintendent
