Hello,

We have an opportunity to provide assistance to your child through Avella Area's Student Assistance Program (SAP). Working in cooperation with families, such as yours, enables the team to better understand how to provide appropriate help to all our students. Your knowledge and feedback regarding your child is most valuable to us in determining the best way to proceed to support your child.

You can help us by completing and returning the attached forms as soon as possible.

- Parent/Guardian Questionnaire
- Behavior Observation Form
- Written Consent

**The SAP process cannot start until written consent is received**

Together, we can be more effective in helping your child achieve their full potential.  
Thank you for joining us in this effort.

We look forward to hearing from you.

Sincerely,  
Samantha Adams  
School Counselor
