

JOIN US IN PREPARING YOUNG ADULTS FOR TOMORROW'S WORKFORCE!

We would like to invite you to partner with us in impacting the future of young adults with disabilities. We have talented individuals (ages 16-22) who are ready and eager for the opportunity to practice real life job skills! We are looking for business partners who will provide a worksite where young adults can gain valuable work skills...could that be you?

FACTS

Partnering businesses are under no obligation to hire the participant at the conclusion of the work experience.

There is no cost to the business.

Participants are pre-screened for work readiness.

Job coaching support is available.

Scope and duration of a participant's work experience is decided by the business and partner program/agency.
