

Accelerated Learning and COVID-19 Recovery Plan

Alvarado ISD is eligible to receive \$4,849,264 in supplemental federal dollars. The past year has brought about unprecedented challenges to us as a district to provide the best possible educational opportunities to our scholars. Addressing the needs of our scholars and rectifying the impact that this pandemic has had on our scholars will require time and supplemental funding. These additional funding will be vital for our district as we work to meet the needs of our scholars in a post-pandemic setting.
