## Book of the Month for April

*Animals, trees, flowers, our city forbids them all*

For Juniper and her little brother Bear, escaping their cage of a city has always been a secret dream. But when scientists discover the siblings are key to a merciless plan, their escape becomes more than that.

Now it's a flight for their lives.

As Juniper and Bear journey further from the city, they soon learn that there's cruelty in nature as well as beauty.

**Will they ever find the home they're searching for?**

Congratulations to Alex P and Florence F, winners of the 'Extreme reading' competition for World Book Day.

Thank you to everyone who entered the competition, the range of reading positions and locations used by students has been truly creative and very inspiring!
