

Valley View High School
Student Engagement Seal

This can be completed at any time of their 4 years in 9th-12th grade. This form must be turned in by April 1st of every year.

In order to obtain the Student Engagement Seal students must participate in two seasons of a school sponsored sport or any activity that would earn a PE waiver. The sports component will be signed off by the coach after the student has completed in good faith the entire season.

Students can also obtain this seal by participating in two full seasons of a school sponsored club or student government to a meaningful extent, as determined by the club advisor. This can include meetings, events, and activities related to this club or organization. Students must have a signature from the club or team coach or advisor.

The clubs listed below are a sample of clubs offered to students in this district. This list should help students generate ideas for participation:

Student Council, Class Officer, National Honor Society, Interact Club, Project Charlie, Drama Club, Hope Squad, National Art Honor Society

You must contact your counselor to insure you have or are participating in an approved club or activity

Students can also combine the two - One season of a sport and one season of a school sponsored activity.
