Instructions for Completing and Submitting Statement of Travel Forms for Reimbursement

All allowable travel and expenses related thereto must be incurred while in the performance of official duties for the Blount County Board of Education.

Employees whose job duties require them to travel from school to school (including the central office) shall not claim any mileage to the school (including the central office) to which they first report each day but shall be permitted to claim mileage to all other schools (including the central office) to which they traveled that day. Mileage cannot be claimed beyond the last point of employment on any given day. This item is applicable to such employees as teachers of the gifted, speech pathologists, school nurses, etc.

Whenever possible a county vehicle should be used instead of filing for mileage reimbursement.

Reimbursement will not be made for any expense incurred as a result of the violation of any law, ordinance, regulation, policy, etc. Also, no reimbursement will be made to an employee for any damage to or liability arising from the use of any non-owned Board vehicle.

Statements of Travel are subject to internal audit as well as to audit by the Alabama State Examiners of Public Accounts. Any overpayments made for any reason must be refunded to the Board of Education and/or School.

- Any travel expense other than by personal vehicle must be approved in advance by the **Superintendent** (this includes airlines, buses, trains, etc.)
- **Pre-approval** is required by the immediate supervisor for all conferences/conventions/meetings held outside Blount County if the employee expects to be reimbursed for any expenses related to the event. Funding should be secured by the immediate supervisor before approval.
- All travel expenses for school principals that are to be paid from school funds must first be approved in writing by the Superintendent or Assistant Superintendent of Education.

How to Complete the Statement of Travel

Claims for reimbursement of travel expenses must be on the Travel Statement form (excel spreadsheet) located on the Board website. Reimbursements will only be made by ACH direct deposit. The ACH form is located on the Board website.

Separate Travel Statements must be done for Conference Travel and Regular Monthly Travel

- Base School/Location – The base employment location of the employee.
- Mileage Rate – The Board approved rate as of the date of travel.

- **Name and Address – The name and mailing address of the claimant**
- **Travel, lodging and other expenses must be listed in chronological order with all required receipt attached. Odometer readings are required. Trip miles times mileage rate equals “dollars claimed.”**
- **A trip made from the base location to one or more schools (or other destinations) on the same day with a return to the base may be entered as one trip**
- **The affidavit statement must be signed in ink by the claimant on the “payee” line.**
- **The “approval” should be signed in ink by the Principal or Supervisor before it is submitted to the Central Office.**

Per Diem

- **Per Diem is only allowable if there is overnight stay outside of Blount County**
- **\$50 is allowable but not required to cover for meal and gratuity expenses and calculated on a per night basis**

Required Attachments

- **Conference and meeting agendas must be attached. If federally funded, an evaluation but be attached too.**
- **Expenses for lodging and other allowable expenses (such as cab fares, hotel/airport shuttle buses, etc.) must be itemized in each column and must be documented by attaching a dated itemized receipt. If the lodging location is not at the facility of the conference, then the reimbursement for the cost of lodging must be comparable to the conference lodging rate or an official “over flow” location designated by the conference. Only nights required to attend the conference or meeting is reimbursable. If staying off-site, you are limited to a range of 10 miles for mileage reimbursement without prior approval.**
- **Conference and meeting registration expenses must be supported by paid receipts.**
