Please note the time change

It's Read-a-thon Time!

- Each Spring the Eldorado PK-8 Library, in partnership with our amazing PTO, runs a Read-a-thon program. The [Read-a-thon](#) is intended to promote and incentivize the building and sustaining of good reading habits.
- **Each K-5 student has a copy of the Read-a-thon calendar sheet in their Friday Folders today.** To participate, students simply need to log at least 5 days of reading each week on their papers. After four weeks, a parent or guardian needs to sign the paper and they will get turned into classroom teachers. Each week of reading equals one raffle entry, and everybody who completes at least two weeks will win a prize!
- Weekly bonus challenges will be posted each Sunday morning to the [library website](#) (click on the Read-a-thon image). These are due by Saturday of that same week, and participants will be entered to win additional prizes!

ADDRESS CHANGES & MOVING
