Dear Ms. Zuniga Mena,

Please see the attached public documents responsive to your April 3, 2023, FOIA request.

Please note that the FOIA requires the public body to make public records available. The FOIA does not require agencies to create new documents. And, in some instances the district may not be in possession of any documents or records responsive to the item you have requested. For example, as every bidder was awarded, there is no bid tabulation or scoring sheet responsive to your request.

In accordance with S.C. Code Ann. 30-4-30(B), the BCSD estimates search, retrieval, and redaction, if necessary, of the additional requested proposal documents to respond to your request will require 4 hours, for an estimated cost of $179.52. Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request. Please make all checks out to the Beaufort County School District and send to my attention.

Regards,
Candace
