Yes, you can utilize your bank's online bill pay service to send payments to **Blackbaud Tuition Management**. Please note: Online bill pay might not electronically transfer funds to Blackbaud Tuition Management. Instead, your bank may mail a paper check to us. We advise you to set up your online bill pay to occur at least 7-10 days prior to your due date to ensure the check is received and processed by your scheduled due date. Please review Helpful Tips for Mailing Payments or Bank Bill Pay for applicable details.

Helpful Tips for Mailing Payments or Bank Bill Pay

- Please include your 13-digit Family ID in the memo section of the check or money order (a payment stub is not necessary).
- Do not include any additional paperwork with the payment (letters, Post-it notes, staples, paperclips, etc.). Additional items will delay the processing of your payment.
- Please send payments 7-10 days before your due date. If there is a holiday, please add 3-4 days.
- If there are fewer than 7-10 days before your due date, please consider paying via our website at parent.blackbaud.school. You can also use our automated telephone service to make a payment. Both these solutions eliminate delays in processing your payment. You can pay online or over the phone using your checking or savings account.
- Make checks payable to Blackbaud Tuition Management.
- **Blackbaud Tuition Management** does accept some online bill payments electronically. However, some banks will still send payments as a physical paper check through the USPS mail. If you have any questions about whether your payment will be sent electronically by your bank, please contact your bank directly.
- Once a payment has been sent by physical paper check, it cannot be stopped. If you decide to stop the payment with your bank, a failed bank fee will be incurred on your **Blackbaud Tuition Management** account.
- If you plan to use your bank's online bill payment service, please include your 13-digit Family ID without letters, spaces, or characters.
